These restrictions are intended to keep students from:

1. Changing wallpaper/lockscreen,
2. Setting device/estrictions passcode,
3. Resetting/erasing the iPad,
4. Logging into iCloud and other accounts
5. Downloading apps,

Restrictions can be modified to suit other uses of iPads such as personal teacher use or specific uses in other program.

Default Restrictions for Student/Shared iPads

Movies and TV shows refer to iTunes content. Cart iPads are logged into a common iTunes account for installing Apps only.

This Apple ID is not used for iCloud services such as Game Center, iBookstore, media from iTunes, podcasts, news, etc.

There is no age restriction on Apps because internet browsers carry a 17+ rating
